SUMMARY

I'm a Frontend Developer. I'm extremely passionate about web development especially Frontend Development, helping businesses and improving their online presence. In the past, I have studied Automation Engineering at Danang University of Science and Technology (2015 - 2020). Now I have just finished Frontend Development Course at CyberSoft Academy and had nearly 1 year of working experience with frontend languages. Now I currently aim to learn as much as I can in a work environment and to further my own abilities in a professional setting.
